Sisters and Brothers,

As you are aware that Ontario BTS Locals were looking for a candidate to fill a possible position of “Unifor Workplace Harassment and Violence Complaints Coordinator”. This took a bit longer than anticipated for various reasons. Please see attached to refresh your memory.

We like to inform you that Brother Robert Ranger of Local 28 has been selected to fulfill this role.

We also like to take this opportunity to thank all Ontario Bell Technical Solutions (BTS) locals for your efforts to make this a reality.

In solidarity,

Vinay Sharma
Unifor HSE Director

Roch Leblanc
Unifor Telco Director
