Greetings Brothers and Sisters,

As you know we have ratified the Tentative Agreement in late in 2021. The next process is for the Company to update the Collective Agreement with all the agreed to changes and send to your Ontario Bargaining Committee.

With Christmas vacation and some scheduled vacation time we received the updated document from the Company early last week.

Your Ontario Unifor Leadership Committee held a full day zoom call on Monday, January 26th to review the new Collective Agreement and to proof all changes.

We are pleased to say there were only a few omissions to correct and we have spoken to the Company to make the necessary changes.

We have also addressed the outstanding retro issues with the Company and are working on getting these resolved as we get the Collective Agreement reading to go to print.

In solidarity,

Your Transervice Bargaining Committee:

Gavin Parker-Nance, Committeeperson
Scott Shafer, Committeeperson
Chris Nascimento, Committeeperson
Scott McIlmoyle, National Representative
